## LOCALLY OWNED & OPERATED

Lic's, an acronym for Lloyd's Ice Cream Shoppe's, began in 1950 as one small shoppe where all of the ice cream was made in the back room. In 1986, Lic's added a complete deli concept reminiscent of an old fashioned soda fountain shoppe. Today, Lic's makes ice cream and sorbet for 8 shoppes at the Lic's plant in downtown Evansville, Indiana. Lic's bakes bread, cakes, and cookies from scratch daily and makes a secret House dressing and spicy-hot chili. Lic's is a locally owned family business.
